Open Space & Trails committee

**Why are you interested in participating on this Committee?**

I live full time in Blue River with my wife and 2 young kids. We spend a lot of time recreating in our open space and trails and I would love to get more involved in our community to help maintain and evolve our community open space access.

**What skill do you bring to the Committee?**

I'm a business executive, leader and consultant with over 16 yrs working in various industries across the US. This professional & leadership experience would be valuable to bring to our local community.

**If appointed are you able to attend month meetings for the full term?**

Yes

**Anything else you wish to add?**

I live next door to Wiley Asher and Ken Robertson on the Pennsylvania Gulch trailhead. We spend a lot of time on our trail systems year-round.
