### **Mission Statement**

*To assist the Board of Trustees with determining possible trail projects mainly geared towards enhancement of existing trails and possible future trails within the Town of Blue River*

- I. Roll Call
- Mark Fossett, Chair
  - Wiley Asher
  - Joel Dixon
  - Justin Park
  - Paul Semmer via phone

Excused: Devon O'Neil

II. Welcome new members and overview of committee.

- Welcome of Wiley Asher to the committee.
- Mark noted there was a meeting with Summit County and Breck to discuss participating in the purchase of the lots in Sherwood Forest. This is being reviewed by the County and Breckenridge to see how that may work. The Board of Trustees for Blue River has approved a "buy-in" at \$54,000. Noted it is important to follow what the management plan for the property will be.

III. Review focus areas

- Coronet-Lot 416
- Keller Property (Clyde Lode)
- Calle De Plata proximity properties-Michelle
  - In addition discussions with the County about the future plans and the desire to partner.
  - Mark reviewed meeting with the Theobald Family about the future. It was discussed with the family Blue River's interest in the future to purchase property if it were to become available.

IV. Focus Group Assignments

- Mike and Mark will work on the Keller property as well as properties around the Clyde Lode area and begin discussions with homeowners in that area.
- Coronet-Wiley will work on contacting these homeowners for possible donation, purchase or obtain an easement. Justin will assist.

- Michelle will continue work in Calle de Plata area.
  - Discussion to have Paul assist with discussions with the National Forest as it arises.
- V. Summer Plan
- See above to work on the connection.
  - Noted the tentative date for Trails Day is August 22<sup>nd</sup>.
- VI. Next Meeting
- April 14, 2020
